Safe and inclusive for kids of all abilities

To ensure the safety of all participants, we use plastic bats and a rubber ball.

Activities use softer balls of different sizes, as well as blind cricket balls, so kids can participate and develop at their own pace.

We aim to provide an environment focusing on kids abilities, as opposed to their disabilities.

Each session includes skills activities and a game of cricket

Skills Rotation (15 mins)

Blast Game – 16 overs per team, four overs per batting pair (60-75 mins)

Club coaches run skills sessions between fields for players waiting to bat.

Join the fun at Auluba Oval on Friday evening, sign up now to get your Master Blasters pack in time before the season starts.
